Paramount certifies as true and correct, under penalties outlined in 18 U.S.C. § 1001, all statements Paramount or its representatives have made to the Committee, DOJ, U.S. Department of Homeland Security, Department of War, and the FCC in the course of the review of the above-referenced petition that was conducted pursuant to Executive Order 13913,⁵ and it hereby adopts those statements as the basis for this LOA. Paramount acknowledges that nothing in this LOA obviates or otherwise modifies any other legal obligation or requirement that Paramount may have to any governmental or regulatory agency, including but not limited to, obligations to comply with the Foreign Agents Registration Act, 22 U.S.C. § 611 et seq., and implementing regulations.

1) For purposes of this LOA, the following definitions apply:

For the avoidance of doubt, Access shall be construed broadly to include rather than exclude considered conduct.
- b. “Closing Date” refers to the closing date of the merger between Paramount Skydance and Warner Bros. Discovery, Inc. (“WBD”).
- c. “Foreign Investors” are those foreign investors for which specific and advanced approval was requested in the Paramount Petition.⁶
- d. “Other Non-Anonymized Data” means other information that is collected, stored and/or used by Paramount or a Service Provider when linked to specific individuals, including registered user data, device-level data, race, gender, religion, age, political party, marital status, affinities, geolocation data, geographical indicators, social media account information, employment information, financial information, usage information, and payment information of such specific individuals.

Specific Commitments

- 2) Paramount shall notify the CMA(s) of the closing within **two calendar days** of the Closing Date.
- 3) Paramount agrees to take all appropriate measures to prevent unauthorized Access to or unlawful use of Paramount’s U.S. Person Data, and to prevent the unauthorized disclosure of information relating to Paramount’s U.S. Person Data.
- 4) Within **90 days** of the Closing Date, Paramount agrees to provide copies of the security policies and plans (“Policies and Plans”) that will be used to safeguard Paramount’s U.S. Person Data after the Closing Date to the CMA(s) for objection or non-objection. The CMA(s) will object or non-object within **60 days** of receipt of Paramount’s submission.
- 5) Paramount agrees to make modifications to the Policies and Plans if necessary to address the CMA(s) concerns and resolve an objection.
- 6) Paramount agrees that it will update the Policies and Plans when appropriate to conform with evolving security best practices.
- 7) Paramount affirms each of the Foreign Investor’s interest in Paramount will consist entirely of non-voting stock without any governance or information rights, and the

Foreign Investors will not have any influence, direction, or control over or provide any commentary or guidance on Paramount's content decisions, company management, or have any Access to Paramount's non-public U.S. Person Data. Paramount further affirms that in the event it proposes to change any voting, governance or information rights of the Foreign Investors, it will seek prior approval from the FCC through a new petition for declaratory ruling, and acknowledges that that such new petition could be subject to a referral to the Committee.

General Provisions

- 8) Paramount agrees that this LOA is binding upon, and inures to the benefit of, Paramount and its respective successors and assigns. For purposes of this LOA, successors and assigns include any corporate name changes. Paramount may not assign any obligation under this LOA without the prior written consent of the CMA(s).
- 9) Paramount agrees that the Committee, at its sole discretion, may make non-substantive administrative updates to the LOA to add, modify, or remove the compliance monitoring agencies monitoring this LOA.
- 10) Paramount also agrees that the Committee may decide in its sole discretion to make non-substantive administrative updates to the LOA, to account for changes in 1) corporate ownership, mergers and acquisitions, structure, names, and license numbers; and 2) Committee structure.
- 11) If the CMA(s) finds that the terms of this LOA are inadequate to resolve any national security or law enforcement risks, Paramount agrees to resolve those concerns, according deference to the CMA(s)'s views on the need for modification. If new or additional national security or law enforcement risks develop with respect to the policies that have received the CMA(s)'s prior non-objection under this LOA, Paramount similarly agrees to resolve the CMA(s)'s concerns to the CMA(s)'s satisfaction. Rejection of a proposed modification shall not alone be dispositive, but failure to resolve national security or law enforcement concerns may result in a request that the FCC modify, condition, revoke, cancel, terminate, or render null and void any relevant license, permit, or other authorization granted by the FCC to Paramount or its successors-in-interest, or any other appropriate enforcement action required to address the concern.
- 12) Paramount agrees that in the event that Paramount breaches the commitments set forth in this LOA, to include conduct contrary to timely CMA objection to any notice submitted pursuant to this LOA, a recommendation may be made that the FCC modify, condition, revoke, cancel, enter other declaratory relief, or render null and void any relevant license, permit, or other authorization granted by the FCC to Paramount or its successors-in-interest, in addition to pursuing any other remedy available by law or equity.
- 13) For purposes of counting days in this LOA, the day of the event that triggers the period is excluded, but every day thereafter is counted, including intermediate Saturdays, Sundays,

and legal holidays. If the last day is a Saturday, Sunday, or legal holiday, the period continues to run until the end of the next day that is not a Saturday, Sunday, or legal holiday.

- 14) The time period dictated in any non-objection, consent, or approval provision applicable to the CMA(s) pursuant to this LOA shall be tolled during a lapse in appropriations or any time when the Federal government in the greater Washington, D.C. area is closed.
- 15) Paramount agrees to permit disclosure of information submitted to the FCC in confidence pursuant to 47 CFR § 0.442 to Federal government departments, agencies, and offices whose principals are listed in Section 3 of Executive Order 13913.
- 16) Paramount understands that if the CMA(s), with non-objection from the Committee, finds the national security and law enforcement risks associated with this Petition have decreased such that they no longer warrant mitigation, the Committee may terminate this LOA by notice to the FCC. Paramount further understands that even after such a termination, under Section 6 of Executive Order 13913, the Committee may conduct a license review for additional or new risks to U.S. national security and law enforcement interests at any time. Termination of a mitigation agreement does not relieve Paramount from liability for any breach of this LOA occurring while it was in effect.
- 17) This Agreement shall become effective for compliance purposes on the date of the FCC approval of the above-captioned Petition.
